

The Convention Centre Dublin

The Convention Centre in Dublin is located in the heart of the capital and is one of Ireland's most iconic modern buildings. Since its opening in 2010, the CCD has hosted over 1,450 events and has won 35 industry awards, providing Ireland with a world class venue for international conferences, congresses and events.

Since opening in 2010, REL have completed a number of dispense, mechanical and refrigeration works in the Convention Centre. REL have completed the installation of Cold Rooms, Freezer Rooms, Air Conditioning Units and have also completed the installation of a Traditional Beer Dispense System in its bars.
