

Irish Country Meats

The Sheepmeat Specialists

Irish Country Meats are Ireland's largest sheep meat processor and are a division of Slaney Foods. REL have completed a number of bespoke works which include installation of boilers, heat recovery tank, bespoke plate heat exchangers and control panels.

Scope of works:

- Installation of a 1.4MW boiler.
- Installation of 1 x 20,000 Litre Heat Recovery tank, out of which Irish Country Meats can extract water of up to 60oC.
- Installation of bespoke Plate Heat Exchangers for Heat Recovery & Control.
 - 1 x 1MW recovering hot water @ 90oC for process heating purposes.
 - 1 x 600kW recovering hot water @ 45oC for other domestic hot water purposes.
- Custom built control panel allowing for pumping and heating controls.
