The Ormeau Road in Belfast, is one of Belfast's most famous streets, and is home to a host of shops, restaurants, bars and entertainment venues. Steeped in history, Ormeau Road, is host to locals and tourists alike. Two of the most popular traditional bars on the Ormeau Road, Errigal Inn & The Hatfield House Bar, are home to the leading Dispense System in Northern Ireland, the REL Glycol Dispense System. Just around the corner, in Laverys Bar, the oldest family run bar in Belfast, the REL Glycol System is also in place.

So what does this mean? It means, that despite the rich history in this area, and the tradition of each bar, the innovation of the REL Glycol System is proving to be timeless.
