

SuperValu Clonmel

SuperValu is part of the Musgrave group and is Ireland's largest grocery and food distributor with 223 SuperValu stores throughout Ireland. With a strong reputation, developed with over 30 years' experience, SuperValu is a well established landmark in each town and county in Ireland, and SuperValu in Clonmel, Co. Tipperary is no different.

Integral to any supermarkets success, is the quality and reliability of their in-store refrigeration, which is why REL were selected to install, commission and replace numerous pieces of equipment in store. REL, one of the leading providers of Refrigeration services in Ireland, installed Refrigeration, Display Cabinets, Freezers and Meat & Fridge Counters across a number of sections in store with technical support post installation provided also.
